Submission of entries - We welcome entries in a range of formats in order to allow you and your students' maximum opportunity and flexibility to integrate the Competition Brief with your course delivery and specification objectives. For example entries could be:

- **A Report on an Industrial Trust visit** to a company using Technical Textiles
- **Course Work** – students design work where an intended outcome integrates the application technical textiles.
- **Curriculum Coverage** – work that supports course specification content on knowledge and understanding of technical textiles.
- **Student Developed Learning Resource** - PowerPoint presentation / Presentation (video evidence will be required of applicant presenting) / Promotional Leaflet / Web Page /DVD.
- **Research or Product Study.**
